GTA 5 Game Key Grand Theft Auto V is the official, fifth game in the Grand Theft Auto series, released for Microsoft Windows and PlayStation 4 on 26 September 2013 and for Xbox 360 on 10 June 2014. Grand Theft Auto V is the definitive version of the game, developed from Rockstar North's initial work on Grand Theft Auto IV, specifically for the PlayStation 3 and Xbox 360 platforms. It offers improved graphics and AI, more and larger environments, a new Open World environment, a new in-game character creator, and different available missions and side activities, among other new features. Like most installments in the Grand Theft Auto series, Grand Theft Auto V is a sandbox-style game with different types of missions that the player can complete, including driving, shooting, stealth, etc. Gameplay Grand Theft Auto Online is a massively multiplayer online game mode available for Grand Theft Auto V, GTA Online is set in a living and breathing environment with daily events and a persistent world. Players are able to explore all of Los Santos and Blaine County and interact with other players and enemies in a variety of different activities. Players may then customize characters with various clothing, tattoos, and body modifications. Online players may also purchase weapons and vehicles, customize them, and take them on missions and races. GTA IV – Los Santos Welcome to Los Santos. The city of dreams. The city of wealth. The City of Angels. The city of many faces. The City of Angels is the tenth main game in the Grand Theft Auto series and was released on the Xbox 360 and PlayStation 3 on October 27, 2009. The game is set in the fictional Los Santos city, a rebuilt version of Los Angeles. Grand Theft Auto IV is the first game in the series to be released for Microsoft's next-generation video game console, the Xbox 360. Although the PlayStation 3 and Xbox 360 versions are mechanically identical, the former features higher-resolution textures, more detailed models, and sixty more voice actors f678ea9f9e
